

MSCF *Election Minute*

An electronic publication of the Minnesota State College Faculty Elections Committee

**Our union is only as strong as the members.
Make sure your voice is heard.**

It's been a busy year, election-wise, and the MSCF officer election in February is equally important for us.

As a membership, we deserve to continue having the best leadership to take us into the future.

Over the next few weeks, you will be hearing from the elections committee about nominations (they are still open), questions for the candidates, and candidate statements. We know that members may have election-overload, but, our voices must be heard.

In the next few months, you will hear from the candidates in numerous ways: through Green Sheet statements, statements on the MSCF webpage, and a series of candidate forums in January. We will also be posing questions to the candidates based on the survey results – thank you to all who participated!

Sincerely, David Christian, Chair

Andrea Buettner, Mindy Travers, MSCF Elections Committee
