

## MSCF Retired Resolutions

Updated at the MSCF Delegate Assembly  
April 8, 2022

### Category 1. Quality of Education

#### BE IT RESOLVED THAT

- 1-9. the MSCF President communicate to the Chancellor that it makes it a top priority to program ISRS to automatically drop students who do not earn a high enough grade in the prerequisite course for an upcoming course they have registered for within three business days of grades being posted. **Retired 2022**
- 1-14. the MSCF request MnSCU fix [the ISRS prerequisite limitations] as soon as possible and provide financial funding to institutions who must have staff review prerequisites of students until the problem is resolved. **Retired 2022**
- 1-23. the MSCF requests that Minnesota State request the College Board perform a validation study for Minnesota state cut scores. After the validation study, the cut scores decision can be revisited. **Retired 2022**
- 1-24. the MSCF requests Minnesota State changes its policy to allow for more than one vendor, one for each discipline, that they not use the NextGen Accuplacer placement tests, and they continue to search for new tests with input from college faculty, ABE faculty, K-12 faculty, and administrators. The consensus of faculty around the state is that the NextGen Accuplacer placement tests are bad tests for course placement of our students. The tools that we use to assess our students for placement should be relevant and not put a student at risk of inappropriate placement nor give them a disadvantage. **Retired 2022**

### Category 2. Individual Welfare

#### BE IT RESOLVED THAT

- 2-5. the MSCF create, maintain, and disseminate a hiring pool of adjunct and part-time MSCF members. This hiring pool would consist of a list of MSCF members who are adjunct and/or part-time faculty. The list would include the member's name, discipline(s)/credential field(s), and the college(s) and campus(es) where they are willing to teach. The MSCF would update the list every semester and disseminate it to MSCF local presidents and to the colleges in an effort to help adjunct/part-time faculty MSCF members increase their teaching load, if so desired, and to help Minnesota State colleges hire adjunct or part-time faculty members. **Retired 2022**

### **Category 3. Legislative, College, and Community Relations**

#### **BE IT RESOLVED THAT**

- 3-2.** the MSCF supports the sick leave bills in the 2007 Minnesota Legislature as in the House version, including caring for domestic partners. The bills are H.F. 0219 and S.F. 1128.
